Re: Invitation to the grand opening of Pioneer Field

Dear Selectmen,

It is with great pleasure and excitement that I announce that Eagle Hill School will open Pioneer Field on June 4, 2005. This brand new sports complex consists of two regulation soccer fields, a softball diamond, four tennis courts, a regulation size basketball court, and a walking path around the perimeter. As you might expect, all of the fields have state-of-the-art drainage and watering systems to ensure that the fields remain the finest in central Massachusetts.

In the spirit of continued partnership with the Town of Hardwick, Eagle Hill School would like to welcome all of Hardwick's residents to use this beautiful new athletic facility during the months of April through October when Eagle Hill does not have previously scheduled games or matches. Of course, there is no charge to the town or to its residents for this use.

We believe wholeheartedly that these types of partnership opportunities strengthen both the town and the school. Accordingly, we would like to invite the selectmen and all other town officials to a grand opening and ribbon cutting ceremony with the Eagle Hill School board of trustees at 2 pm on Saturday, June 4, 2005.

Sincerely,

Dr. Peter J. McDonald  
Headmaster
